Mr. Fred D. Gray

Dear Mr. Gray:

Thanks for sending me the pleadings in the bus case. I don't believe that there is anything further that we need do on it at the present time except to wait when the matter is set down for hearing on the motion to dismiss. I will probably come down to Montgomery at that time so please let me know when the hearing is scheduled.

Am I correct in my assumption that in the state court after a conviction that an appeal where the conviction was for a misdemeanor such as violation of the segregation statute or an indictment under the boycott statute that the sentence is automatically suspended?

Sincerely,

Robert L. Carter
