Voting on Election Day

How can I verify that I am registered to vote?

You can use the Louisiana Voter Portal (<https://voterportal.sos.la.gov/Home/VoterLogin>) to check if you are registered to vote or call your parish Registrar of Voters Office. You can download the app at: <https://voterportal.sos.la.gov/MobileLanding>.

Where do I vote?

You can use the Louisiana Voter Portal (<https://voterportal.sos.la.gov/>) to find where you vote on Election Day, or you can call your parish Registrar of Voters Office. You can also find your polling place on your voter registration information card.

Can you vote if you have a felony conviction and are no longer on probation or parole?

Yes, you CAN vote if you were convicted of a felony and are no longer on probation or parole. You are not prohibited from voting for life in Louisiana if you have a felony conviction, so long as you have completed probation and parole. You will need to re-register to vote by October 8, 2018 (see Important Dates) if you have not voted in the past three elections. Bring your discharge papers to your parish Registrar of Voters Office to avoid any confusion. **Note:** You may also be able to vote if you were sentenced under Art. 893 probation, or are on probation with no sentence. Contact VOTE for more information: 504-571-9599. On **March 1, 2019**, Act 636 restores voting rights to people on probation (who have never been incarcerated on a violation) and people on parole (who have been on parole at least 5 years). Contact VOTE for more information on registration.

Provisional Ballots

What is a provisional ballot?

A provisional ballot allows you to vote in federal elections when you arrive at your polling place but are not listed as an eligible voter. You will need to certify in writing on the ballot that you are a registered voter in the parish and are eligible to vote in the election for federal office before you cast your ballot. You must be a registered voter in the parish where you vote and eligible to vote in the election for federal office for the provisional ballot to be counted. **Note:** Your vote will still be counted if you vote in the right parish, but the wrong precinct; however, you will vote a paper provisional ballot and will have to certify in writing on the ballot that you are eligible to vote.

Voting Changes

Common Potentially Discriminatory Voting Changes

The NAACP Legal Defense Fund (LDF) is closely monitoring how places like Louisiana, which was formerly protected by Section 5 of the Voting Rights Act, are responding to the U.S. Supreme Court's decision in *Shelby County, Alabama v. Holder*, which immobilized that provision. We encourage you to let us know of any voting changes that are planned in your area that you believe may negatively impact your community by emailing LDF at vote@naacpldf.org. These potentially discriminatory voting changes might include: changing polling hours and locations; reducing the number of polling places; changing or eliminating early voting days and/or hours; replacing ward-level voting with at-large parish-wide elections; implementing onerous registration qualifications like proof of citizenship; and purging qualified voters from registration lists.

Voter Identification

What are the acceptable forms of photo ID?

Acceptable forms of photo ID include a driver's license, a Louisiana Special ID (which you can obtain by presenting your voter registration information card to your Office of Motor Vehicles), or some other generally recognized picture ID that contains your name and signature.

Can I still vote if I don't have a photo ID?

Yes, you can still vote even if you do not have a photo ID. If you do not have a photo ID, you can either get a "free" Louisiana Special ID card by presenting your voter registration information card to the Office of Motor Vehicles or you can vote by correctly filling out an affidavit with identifying information before voting.
