You should receive a voter registration certificate after you register to vote. You can verify your voter registration status online at http://www.scvotes.org or by calling the South Carolina Election Commission at 803.734.9060.

Can I register to vote if I have a felony conviction?
If you have a felony conviction, your right to vote is automatically restored if you have served your entire sentence, including probation or parole. If so, you can register to vote. Learn how to register to vote at http://www.scvotes.org.

Will I be asked to show photo ID to vote in person?
Yes. If you vote in person, you will be asked to provide one of the following photo IDs:
- Current and valid South Carolina voter registration card with photo;
- Current and valid South Carolina DMV-issued driver’s license;
- Current and valid South Carolina DMV-issued (non-driver’s) photo ID card;
- Current and valid federal military ID; or
- Current and valid U.S. passport.

If you have one of these photo IDs, be sure to bring it with you to the polling place. Registered voters can get a free voter registration card with photo from their county election office. For more information, call the South Carolina Election Commission at 803.734.9060 or visit scvotes.org.

What if I don’t have an accepted photo ID?
You can vote in person by provisional ballot without a photo ID if you have a reason why you do not have an accepted photo ID. South Carolina’s photo ID law contains a “reasonable impediment” exception that recognizes the many reasons why you may not have a photo ID, including that
- You are disabled or ill;
- You have a demanding work schedule;
- You are unemployed and looking for work;
- You lack transportation and/or money to get to the county election office or DMV;
- You do not have a copy of your birth certificate;
- You have family responsibilities; and
- There is another obstacle that YOU find reasonable.

How do I vote in person without a photo ID based on a “reasonable impediment”?
To vote in person without a photo ID based on a “reasonable impediment,” follow these three steps:
1. Present your current, non-photo voter registration card;
2. Sign an affidavit identifying yourself and your reason for not having an accepted photo ID; and
3. Cast a provisional ballot.

Will my provisional ballot be counted if I do not have a photo ID because of a “reasonable impediment”?
The provisional ballot that you cast is presumed valid and will be counted unless the county election office has reason to believe that your affidavit is false.

What if I do not have a photo ID and do not have a “reasonable impediment,” or I forgot to bring my photo ID to the polls?
You can still cast a provisional ballot. However, for your vote to count, you must provide one of the accepted photo IDs to the county election office in person prior to certification of the election (usually the Thursday or Friday after the election).

When are the polls open?
Polls will be open from 7 a.m. to 7 p.m. You have the right to vote if you are in line or inside the polling place when the polls close.

Where do I vote?
On Election Day, you must go to the polling place to which you are assigned, which should be listed on the voter registration card that you received in the mail after you registered.

How do I verify my polling place?
You can look up your polling place online at http://www.scvotes.org or by calling the South Carolina Election Commission at 803.734.9060.

What if I cannot stand in line or access the polling place because of age or disability?
Voters who are unable to access the polling place or stand in line because of a disability or because they are 65 years or older may vote in their vehicle (i.e., curbside voting). Poll managers will look for voters who seek to vote in their vehicles.

What if I need help?
Voters with disabilities and voters who are blind or unable to read and write may receive assistance in voting. The voter may choose anyone to assist their ballot, except for their employer, an agent of their employer, an officer of their union, or an agent of their union.
